SSLC
MMB Matriculation Higher Secondary School

2014 - 2019   *The Nilgiris*

ACHIEVEMENTS

- Won second place in Debugging at the intra-collegiate Event.
- Completed the Infosys soft skill improvement program.
- Participated in multiple coding events and workshops

CERTIFICATIONS

- Full Stack Development using MERN.
- Ethical Hacking Essentials by EC-Council.
- Customer Executive Internship – HRH Next (Negotiation & Communication focus)

SKILLS

Frontend : HTML, CSS, JavaScript.

Framework: Bootstrap, React

Backend: Node.js, Express.js

Database: MongoDB

Tools: GitHub, REST API's, Postman

PROJECTS

Work Wave / Skill Forge
Tech: React, Express, MongoDB.

- Developed a responsive web app with product listing, cart, and job search functionality using React and state management.
- Created reusable, modular UI components for navigation, product display, and authentication, improving development efficiency.
- Integrated REST APIs for dynamic product and user data, and used Cloudinary for efficient file upload and management.
- Implemented React Router for multi-page navigation.

INTERPERSONAL SKILLS

- Good Communication
- Team Collaboration
- Multi-tasking
- Design Thinker
- Self-Motivator
